

Project Charter: [INSTALLATION OF HD-CCTV Camera System for Monitoring Broad Street center Monrovia Street Activities from Liberia National Police Department Headquarter(LNPD) Office].

24/10/
2021

Background

[This project is being undertaken to provide a INSTALLATION OF HD-CCTV camera system for monitoring Broad Street Activities from Liberia National Police Department Headquarter in Montserrado County (LNPD)]

Goals

- [To ensure that the National Police' are working effectively
-]
- [To keep track of Citizens Activities]
- [To provide an effective camera system]

Scope

[The outcome of this project is to provide an effective and efficient camera system for the Administration of Liberia National Police Department. This project will be managed from the Administrative office of Liberia National Police Department. That is to monitor the activities on Broad Streets in central Monrovia in order to get hold of criminals and other activities at night.
